Louisiana State

A faint, light blue silhouette of an elephant is centered on the page. Overlaid on the elephant's body is a large, circular purple seal. The seal features a central illustration of a building, likely a campus landmark, surrounded by a circular border containing the text "UNIVERSITY OF LOUISIANA & M. COLLEGE".

*We pledge allegiance to the
Flag of the United States
of America
and to the Republic
for which it stands;
one nation indivisible,
with Liberty
and Justice
for all.*

BOOK

Only free peoples can hold their purpose and their honor steady to a common end, and prefer the interests of mankind to any narrow interest of their own. Our object now is to vindicate the principles of peace and justice in the life of the world as against selfish and autocratic power, and to set up among the really free and self-governed peoples of the world such a concert of purpose and of action as will henceforth insure the observance of those principles.

—Woodrow Wilson

STUDENT BODY OFFICERS

On these two pages are represented the most energetic persons on the Louisiana State University campus. They are the ones upon whom are focused the attention of all. Although the activities of each may contrast sharply with the activities of the others, collectively they have built landmarks which will remain when they have been forgotten.

THE STUDENT COUNCIL

Activities of the 1951-52 Student Council as reported by Student Body President Charles Farrell:

AUDITORIUM—The council conducted a University-wide poll of students to determine their opinions of the proposed Stadium expansion. Only three per cent favored enlarging the stadium over the construction of an auditorium (83 per cent) and a library (14 per cent).

ADMINISTRATIVE DUTIES—The council has several administrative functions including the Campus Chest drive, freshman orientation, Swing Inn, the Freshman Day program, and student elections. In addition, the council conducted the blood-donation campaign, took an active part in Athletic Council meetings, Artists and Lecturers Committee meetings, and was represented on the University Disciplinary Committee.

FRESHMAN ORIENTATION—A number of recommendations on the freshman orientation program were made, which, if followed, should provide for several improvements in September.

ELECTION RULES—Within a week after taking office the council approved a completely revised set of rules relating to election expenditures. They have proved most effective in recent elections.

SFLCU—The council began an investigation of the Student Federation of Louisiana Colleges and Universities which resulted in a renewed interest in the federation.

HOMECOMING—Morale Commissioner Ernest Lambert deserves special mention for his handling of pep rallies, parades, cheerleading, and other aspects of the football season. The '51 Homecoming program, we believe, was the most successful in recent years.

FINANCES—A project to set up more practical and less stringent regulations for student loans was recently approved by the Board of Supervisors.

HONOR COURT—In cooperation with Chief Justice Ted Strickland a successful attempt was made to reactivate the Honor Court and determine its jurisdiction over student offenses.

TEACHER-RATING—The proposed teacher-rating program has been in faculty committee for many months. We have considered it one of our most important projects, and the delay in final action has never been explained to us.

Left to Right: James Turner, Kenneth Odinet, Elmo Lear, Oscar Larrieu, Ernest Lambert, Fred Huenefeld, Mary Frances McKoy, Charles Farrell, Betty Smith, Billy Wilson, Billy Bowdon, Dah Montz, and Betty Reed.

The Student Senate in session.

OFFICERS

ROBERT D. BLOODWELL President of the Senate
EUGENE M. PEEPLES Speaker of the Senate

Activities of the 1951-52 Student Senate as reported by Marvin Rushing:

PARKING PROBLEMS—A permanent committee was set up to provide better parking conditions for the students and to make recommendations to the University concerning traffic problems. As a result, two new parking lots, costing approximately \$1700, were erected. One of these was placed in front of the new men's dormitories and one to the rear of the Pentagon Barracks. These lots provide parking facilities for 150 cars and are for student use only.

MARDI GRAS HOLIDAY—The possibility of getting a Mardi Gras holiday was looked into by a Senate committee with the result that students were excused from classes by their respective colleges although it was not a University holiday. The University indicated that if enough students took advantage of this "unofficial holiday" consideration would be made toward incorporating it into the University calendar.

ALL-PURPOSE STUDENT CARDS—Realizing the need for just one card to serve for purposes of identification for each and every activity on the campus, the Senate worked out a plan that incorporated the Student book, fee slip, and the hospital card into one multi-purpose card.

TELEPHONE HOURS—After receiving a justifiable number of complaints from students concerning the extension of telephone hours, the situation was investigated for the possibility of influencing the following changes: the use of the telephones from 7:00 A. M. until 9:00 P. M., instead of from 7:30 A. M. until 8:00 P. M., and various modifications of existing rules governing long-distance calls at night. The results of this project resulted in the hours being extended from 7:00 A. M. until 8:00 P. M. The Administration refused the other requests, stating that they would not create a proper educational atmosphere within the University dormitories.

TEACHER-RATING SYSTEM—Although a method of teacher-rating was worked out, it was not entirely satisfactory to the Senate. As it now stands, an instructor can only be rated if he so chooses. Although it is impossible to make this plan compulsory, the support of the faculty is sought to make the plan a reasonable success. The objective of a teacher-rating system is to bring to the instructor's attention any unsatisfactory teaching habits that he may possess.

TIGER TOWN CLEANUP—Noticing a number of business establishments in Tiger Town with unsanitary garbage and sewage disposal, the Senate effected an agreement among the owners of the various establishments. Abiding by the agreement, the merchants corrected the previous conditions and provided measures to prevent their future recurrence.

THE STUDENT SENATE

THE HONOR COURT

TED STRICKLAND	Chief Justice
ALBERT WEHE	Engineering
LAWRENCE LITER	Commerce
DUNCAN BURFORD	Arts and Sciences
WILLIAM WISE	Second Semester Chief Justice
JEN LASHLEY	Music
FAY MORELAND	Education

ASSOCIATED WOMEN STUDENTS COUNCIL

Associated Women Students is the organization representing all of the women students on the campus. Its purpose is to promote the general welfare of women students and to unify the work of women's groups on the campus.

Left to Right: Le Armstrong, Iris Snow, Sally Clayton, Marilyn McClintock, Hilda Beth Prater, Mary Elizabeth Rawlins, Jane Swan, Joellen Goode, Carol Gaar, and June Matthews.

Left to Right, front row: Helen Blakeman, Mary Alice Driscoll, Grace F. Yarbrough, Ljuba Van Eyken, and Marjorie Furr. Back Row: Harry E. Moseley, Caliste Cenac, Frank Welder, and Willis Hardcastle.

GRADUATE STUDENT COUNCIL

The purpose of the Graduate Club is to promote a spirit of cooperation and fellowship among the members. The Graduate Student Council serves as the governing body of the Graduate Club. It is composed of four major elective officers and representatives chosen from various divisions of the University.

Left to Right, front row: William Clark, Wayne Simpson, Jack Thayer, Barrie Barrett, and Neil Brechtel. Second Row: Travis Rauch, Ulrich (Rick) Torrence, Joe Loupe, Brown McLemore, Robert Beamer, and Billy Lewis. Third Row: Joseph Holliman, Robert Kuebel, John Pitchford, Sydney Bonner, Druet Soileau, John Frank, Jerome Buller, Harry Moseley, and Walter Edwards.

MEN'S DORMITORY PROCTORS

The proctor system was inaugurated in the men's residence halls during the period of World War II. No representative of the University is in more intimate contact with the men students than the proctor. Through the years of its development, higher standards of personal living and a greater University atmosphere have been developed throughout the residence halls by this plan.

BOOK

The world has never had a good definition of the word liberty, and the American people, just now, are much in want of one. We all declare for liberty; but in using the same word we do not all mean the same thing. With some the word liberty may mean for each man to do as he pleases with himself, and the product of his labor; while with others the same word may mean for some men to do as they please with other men, and the product of other men's labor. Now are two, not only different, but incompatible things called by the same name—liberty. And it follows that each of the things is, by the respective parties, called by two different and incompatible names—liberty over tyranny.

THE YEAR IN WORDS AND PICTURES

It is only after THE GUMBO has finally gone to press that the editor can sit back and objectively consider the year's events and the people who have contributed so unselfishly to the annual's publication. THE GUMBO is neither compiled by one person nor solely by the editorial staff. Represented in its pages are the individual contributions and work of scores of students and University employees.

To Jerryanne Adams go many thanks for her expert work as Snapshot Editor. The editor is grateful to Helen Robert for her handling of the Military Section—a harrowing experience that should condition her to the hard knocks of later life. James Chubbuck is to be congratulated for his hustle and perseverance as Sports Editor. Many thanks to Jewel Kornegay, Jo Ann Phillips, and Clare D'Artois who served as three of the six junior editors. Thanks to Dorothy Gayle, assistant, and Pete Tchou, photographer. Special thanks to Assistant Judy Harris. To Junior Editor Huldah Lieberman, to Typist Lee Pirkey, and to Head Photographer Jim Freeman the editor feels permanently indebted. Without Lee's typing, Jim's pictures, and Huldah's work as general flunky, it is doubtful that the 1952 GUMBO could ever have been compiled.

Thanks to the many persons who assisted with the Darling Open House and the GUMBO Ball. Special thanks to Dean Helen B. Gordon and Student Life Director Gene Quaw whose advice and work provided L. S. U. students with the most successful Darling contest of recent years. Thanks to Myrtis Brumfield of Dalton's, Photographer Albin Woolley, and Mrs. Edith Heard whose efforts were responsible for the Beauties Section.

The editor owes much to Faculty Advisor R. H. Wiggins. To Mrs. Lena F. O'Brien go many thanks for her patience and untiring assistance. To R. Dan Eadie of Benson Printing Company, thanks beyond measure of words. Finally, the editor wishes to take this opportunity to thank friends who contributed in various ways towards the publication of the 1952 GUMBO: Pat Wadley, Carlton Strickland, Harold Gallagher, Carol Rogers, Mada Cole, Albert Wehe, Dwight Garrison, Beverly Conway, Jeanne Damron, Carl Koreen, Art Kleiner, Gloria Veith, Turner Veith, Guy Barone, Mr. James Corbett, and Mr. Elmore Morgan.

The LOUISIANA LAW REVIEW is published by the faculty and outstanding students of the Law School. Latest developments in the Louisiana Civil Code and various other legal happenings are reported. The LAW REVIEW accepts contributions from leading members of the state's legal profession. Heading the 1951-'52 staff were Elven Ponder, editor-in-chief, and Jasper Jones, Gene Lafitte, and Arthur Macy, associate editors.

Left to Right, front row: Elven Ponder, Gene Lafitte. Back row: Arthur Macy, Jasper Jones.

T H E L . S . U . E N G I N E E R

The LSU ENGINEER is published in the months of November, December, March, April, and May by the students of the College of Engineering. This year's staff included Thomas E. Smith, A. Aranjo, Joseph Lutzenberger, William Robinson, Benjamin Sibley, Adam Leader, and Editor C. Oscar Harbourt.

Left to Right: Joe Lutzenberger, Oscar Harbourt, Benjamin Sibley, and Thomas Smith.

MODERN DANCE

The Modern Dance Group is under the direction of Assistant Professor Blanche Duffy, Dance Director of the Health and Physical Education Department. Miss Duffy is assisted by Mrs. Doris Kay. This year saw four graduate students—Doris Hurst Kay, Sonya LeBlanc, Katie Planche, and Sue Scribano—enrolled in the Modern Dance classes, an indication of the place that this activity is assuming on the L. S. U. campus. Taking part in the Homecoming festivities, a major opera production, the Contemporary Music Festival, and a dance that evolved from a class Christmas party were all phases of their work this season. The major production of the Group, however, was a Concert-in-the-Round. This mode of expression marked the first time L. S. U. dancers have attempted such an experiment. It was one of the most enthusiastically received events of the 1951-1952 school year.

The 1951-1952 L. S. U. Theatre season might well be termed a year of old favorites. Three of the four major productions of the past season were worthy revivals of earlier University Theatre successes. The lone new entry into the theatre's production record was the seldom-staged French comedy, *Dr. Knock*, written by Jules Romaines. The play, a product of the early Twenties, tells of the arrival of a seemingly astute and learned medical man in a small French provincial community and his one-man campaign to make the townspeople health-conscious. By the final curtain his success has been overwhelming. The town now is composed only of two classes of people: those already mortally ill, and those awaiting their turn in the sick-bed. Will Armstrong portrayed the slightly zany doctor in this, the theatre's first production of the year. Among his converts were Oran Teague as Dr. Parpalaid, the ex-town doctor; August Staub as the Town Crier; Donald Riggio as the pharmacist, Knock's unwitting accomplice; and Suzanne Hahn as the town dowager. Audiences, too, will remember the stage replica of a 1902 Packard, complete with backfiring and the boiling radiator, that transported Dr. Knock across the stage and toward the town of St. Maurice.

The theatre's second major production, opening on December 6, gave L. S. U. audiences another opportunity of viewing Henrik Ibsen's *Ghosts*. Ten years before, almost to the very night, the University Theatre first offered *Ghosts*. This play is generally considered the masterpiece of modern realism, written by the master realist. The play concerns itself with the often tragic consequences of heredity and, to some extent, environment. "The sins of the father are visited upon the children," declares Mrs. Alving; but the play shows that she, too, in her past, has abetted the degeneration of her son Oswald, and, equally so, has destroyed her own life. In facing this reality, Mrs. Alving approaches true tragic stature. The theatre's production effectively mirrored the tragic implications of the drama and sustained an ensemble quality of acting rarely seen in the college theatre. Suzanne Hahn sensitively portrayed the tragic Mrs. Alving and Jack Handley was often eloquent as the stricken son, Oswald. Rounding out the able cast was Ed Daugherty as Pastor Manders; Bo Alfonso as Regina; and Donald George as Engstrand.

C A L L S

With the third production of the season in February, the theatre turned to a gentle comedy of manners, **Mr. Pim Passes By**. The A. A. Milne play has become something of a modern classic with college and little theatre groups. It has evidently been a favorite with L. S. U. audiences, this being its third campus production. **Mr. Pim** gently spoofs the attitudes and posturings of a British country squire when confronted with some unnerving news about his recent marriage. George Marden is the perfect Mr. Blimp. The play is easily resolved when the information proves to be an inaccurate product of Mr. Pim's faulty memory. With this play, Dr. C. M. Wise, Chairman of the Speech Department, returned to directing after an absence of over fifteen years, aided by Dr. Harriet Idol. The title role was enacted by George Brian in effusive fashion. The harassed Mr. Marden was amusingly presented by Richard Douthitt; his delightfully complacent wife by Lenore Evans. The young lovers in the play, enunciating their own unique views on "middle-class morality" were Marjorie Atlas and Rupert Barber.

An amusing treatment of a topical issue was the choice of the theatre's final production of the season. The play, **First Lady**, was the collaboration of George S. Kaufman and Katharine Dayton in 1935. The locale of the play is Washington, the year is one of a presidential election. Depicted: the wife of the Secretary of State and the wife of a Supreme Court Justice. Each is determined to get her man nominated. Only fireworks can, and do, result. In this rollicking comedy, it is the women who make the presidents, not the politicians. Though our country has undergone numerous changes and upheavals, **First Lady** still remains pertinent in its idea and witty and biting in its handling of this theme. The wit and biting satire of the play was kept firmly in focus in the theatre's production, directed by Francine Merritt. As the wife of the Secretary of State, Lucy Wayne, Mary Francis Hopkins was determined and bequiling in her successful conniving to nominate her husband. Sara Latham as Irene Hibbard, the wife of the Supreme Court Justice, was equally conniving, though less successful. An excellent comic touch was provided by Jack Stonnel as the addled Justice and by Ed Luck as the would-be president maker. Figuring prominently in the large cast were Jeannine Abdalla, Avis Bowlin, August Staub, and Bettye Jane Glasscock.

Opera

THE MARRIAGE OF FIGARO
Finale Act III, with Chorus and Ballet.

The 1951-1952 University Opera program, under the aegis of the School of Music, was significant in several respects. Primarily, this season marked the first since well before the last war when two major presentations were offered audiences. Of almost equal importance, this year saw the first production in the history of L. S. U. operatic activities of a contemporary work. This year's program was a thoroughly cooperative venture, both among individuals and between departments. Under the leadership of Dr. Barret Stout, Director of the School of Music, the musical direction of the operas was ably guided by Mr. Peter Paul Fuchs, and choral work by Mr. Dallas Draper. Both are members of the School of Music Faculty. Stage direction was largely handled by Edward Daugherty, Assistant in Speech. Costuming was in the hands of Miss Edith Dabney, and settings and lighting by Mr. Don Blakely, both of the Department of Speech. Nearly one hundred students participated in opera productions and laboratories.

The November production marked one of the first presentations outside of New York of Gian-Carlo Menotti's **The Medium**. **The Medium** is a powerful work and one of the rarer examples of opera with true dramatic power. It tells the moving story of a charlatan medium, Madame Flora, caught in a tragic web by the seeming presence of those spirits she pretended to call forth. An eerie and haunting atmosphere pervades the whole of this two-act opera, climaxed by Madame Flora's shooting of her mute servant, Toby. Musically, the opera matches its dramatic power with haunting lullabies and eloquent arias. The University's production strikingly sustained the grotesque, yet touching, quality of the whole. Bette Stalneck and Ann Fritz, alternating as Madame Flora, each gave an individualized and moving portrayal. As Monica, both Irene Calloway and Marjorie Madey were touching in their role of the spirited young girl involved in the wretched situation.

A delightful contrast to **The Medium** was provided in short curtain-raiser, Pergolesi's **The Maid as Mistress**. Somewhat in the style of Moliere, this one-act opera depicts the rather unconventional wooing by a servant girl of her misanthropic master. Her success is unequivocal; at the curtain she is leading her master off to the altar. The production was given a light stylized production to conform to the amusing formal patterns of the music and was delightfully sung by Marjorie Baldwin and Gwen Gallegos, alternating as the servant girl, Richard Braud and Ned Romero alternated as the bedeviled master.

The spring production, presented in March, was given over to Mozart's comic opera, **The Marriage of Figaro**. Over one hundred and fifty years old, this operatic masterpiece still delights audiences the world over. For L. S. U. it was the first Mozart opera ever presented on the campus. The farcically involved plot deals with the fumbling efforts of the amorous Count Almaviva to woo away his wife's servant girl, Susanna, from her own lover, Figaro. The four-act opera presents one counterplot after another, embroiling the Count, Countess, Susanna, and Figaro in one amusing and perplexing situation after another. Musically, **The Marriage of Figaro** is one of the most difficult works in all opera repertories. The L. S. U. singers and chorus acquitted themselves admirably in this tongue-in-cheek stylized production. Much of its success was due to the delightful singing and acting of Mary Baldwin as Susanna and Richard Braud in the title role of Figaro. Ned Romero, in the buffoon role of the Count, contributed excellent comic touches in his characterization as did Marjorie Madey and Betty Kinzer, alternating as Cherubino. Irene Calloway and Gwen Gallegos, alternating as the Countess, sang and acted with grace and charm.

T H E D E B A T E T E A M

The 1951-1952 Debate Season was Dr. W. W. Braden's most successful since he first began directing the L. S. U. Debate Team. Arnold Lincove and Gerald Rigby launched the season, November 7, with a win over Oxford University. A long string of victories and honors for the team followed throughout the year. In the Regional Tau Kappa Alpha Meet at the University of Mississippi, L. S. U.'s negative team, Lewis Weinstein and Arnold Lincove, placed first.

At the Baylor Invitational Debate Tournament in Waco, Texas, Lenore Evans and Marilyn McClintock won the senior women's division by defeating the University of Texas. Miss Evans was also judged the best negative speaker of the Annual Northwestern Louisiana College Tournament.

Front Row, left to right: Mary Louise Gehring, Jeannine Abdalla, Marilyn McClintock, Lenore Evans, Joyce Nickens, and Dixie Mitchell. Back Row: Arnold Lincove, Joe Lipsey, Jeannette Smith, Dr. W. W. Braden, Mrs. Barbara Lee Daniels, Harry Sachse, and Lewis Weinstein.

ATHLETICS

THE 1951 BENGAL

HEAD COACH GAYNELL TINSLEY

COACHING STAFF

Skipper Hays, Ed McKeever Norman Cooper, Ben Enis, Gaynell Tinsley, Dick Flowers, J. T. "Rock" Reed.

CO-CAPTAIN CHESTER FREEMAN

Coach Gaynell Tinsley began his fourth year as head Tiger mentor at the "Ole' War Skule" with only a handful of regulars backed up by a gallery of promising freshmen and sophomores. The Bengal Tigers proved to be one of the Southeastern Conference's strongest defensive teams and ended the season tied for third place in the conference—much to the surprise of those who gave them a pre-season rating of fifth place.

TRAINER MARTY BROUSSARD

PUBLICITY DIRECTOR JIM CORBETT

GEORGE TARASOVIC

JIM BARTON

CO-CAPTAIN RAY POTTER

TIGERS IN ACTION

Displaying a wonderful spirit of cooperation and a great desire to win, the 1951 Bengals went far down the victory trail to finish one of the hardest schedules in the country with a 7-3-1 record. Big contributors toward this record were the squad's freshmen. Two of them, Stringfield and Fournet, were named on the first annual SEC All-Fresh team. George "The Terrible" Tarasovic, a Tiger senior, was placed on the first team of both the NEA All-American and the SEC All-Conference squads—both fine honors for one of the greatest linemen ever to play for L.S.U.

Front Row: Yates, Roshto, Stevens, Martin, West, Bulliard, Barton, Freeman, L. Hedges, Shirer, Lansing. Second Row: Chatman, Gassie, C. Brown, McLeod, Virgets, C. Smith, Walsh, Coyne, Potter, Hunter, Mitchell, Duhe, Doggett, Boggess. Third Row: Nealy, Prescott, Gautreaux, Oakley, Zakrzewski, Brancato, Mobley, Dildy, Blackledge, Venable, W. Smith, Windham, Kelly, Didier. Fourth Row: Fournet, Daspit, Tarasovic, Yeager, Leake, Sanford, Labat, Perilloux, G. Hedges, Stringfield, T. Brown, Holliday. Fifth Row: Modicut, Robichaux, Guglielmo, Tyler, Lawrence, Speeg, McAdam, Camp, Stott, Ainsworth, Davis, Shaw.

13 L. S. U. 0

MISS. SOUTHERN

Tiger Stadium, Sept. 22—The Tigers opened their 1951 gridiron campaign by sputtering to an unimpressive 13-0 win over Mississippi Southern. Billed as an opening "breather," the Southerners were just the opposite as 23,000 shivering fans watched the Bengals fight for their slim 13 point margin. Missing two chances to score, the Tigers finally hit paydirt late in the first quarter. After Potter had recovered a Southern fumble on the 44, the Bengals began to roll. Led by Barton's passing and Bulliard's catching, they drove to the Southern 9. Two plays later, West bulled his way over for the score. The Tigers made deep drives into Southern territory three times in the second period, but each drive fizzled out. It was not until late in the final quarter that the Bengals were able to score again. This score was set up by Mississippi Southern's fourth down gamble on their own 39. L.S.U. took over and marched for the score.

ALABAMA

7

McLeod reaches high into air to knock down Bama pass.

Bama's Lary Chiodetti runs into trouble as Oakley dives for tackle.

Mobile, Ala., Sept. 29—The Bayou Bengals of L.S.U. upset the highly touted Crimson Tide in the Tigers' greatest exhibition of football in many a day. Bobby Marlow, Bama's ace ground gainer, was held in check all afternoon by a staunch Bengal line led by Tarasovic and Caswell Brown. With seconds left in the first half, little Jimmy Barton pitched a perfect pass to Virgets in the end zone. The score at half-time, 6-0. Bama roared back in the third period, however, and went out in front when Marlow scored from the one yard line to climax a 56 yard drive. Refusing to be outdone, the Tigers retaliated minutes later with a brilliant 18 yard end sweep by Labat. The play was set up by Roshto's two runs of 31 and 21 yards. Stringfield made the kick, and L.S.U. led 13-7. The battling Bengals stopped the Tide cold for the rest of the game.

L. S. U.

RICE

6

Tiger Stadium, Oct. 6—A near-capacity crowd of 44,000 fans were stunned by a complete reversal of the form the Tigers displayed in their sensational win over Alabama. In a game marred by 14 fumbles—extremely high for any game—the Bengals managed to eke out a close 7-6 victory over the Rice Owls. With both teams fumbling away scoring chances, neither team was able to score in the first half. However, the Tigers did capitalize on a bobble in the third period as Freeman climaxed a 48 yard drive with a touchdown. Stringfield kicked the extra point margin of victory squarely between the uprights. With three minutes left in the game, Rice recovered a Bengal fumble on the Tiger 15. Two plays later, Rice's Fenstenaker passed to Daniels for a score. Then, a tie game hanging in the balance, Wright missed the extra point.

7 L. S. U. GEORGIA TECH 25

Hardeman rambles over for first Tech score as Caswell Brown tries desperately to stop him.

Atlanta, Ga., Oct. 13—Georgia Tech extended its dominance over L.S.U. by capitalizing on every scoring opportunity to defeat the Bengals 25-7. Heralded as the "Game of the Day" across the nation, the fray first saw action with Freeman romping over from the four for a Tiger tally. This play was set up by a Tech fumble. The first quarter almost gone, Tech roared back and marched 49 yards. Hardeman capped the drive with a neat 28 yard scoring jaunt. From then to the end of the game it was the Yellow Jackets all the way. Rogers put Tech out in front with a 15 yard field goal at the beginning of the second period. The Tigers never recovered, as the Jackets continued to pour it on. Going into the third stanza with a 16-7 lead, Tech pushed over two more scores before the Bengals could get a drive started. In the final quarter the Tigers tried desperately to get back into the game, but the Jacket forward wall kept their 25-7 score safe.

L. S. U.

GEORGIA

0

Athens, Ga., Oct. 20—The Bengals continued their march through the "Peach State" by bouncing back from their loss to Georgia Tech to take the Georgia Bulldogs 7-0. It was a rough and bruising battle that saw Tiger Jimmy Roshto carried from the field. Neither squad scored in the hard-fought first half because of the tight defenses of both teams. The Bengals registered their winning tally in the third quarter when Sid Fournet blocked the fourth-down punt of Bulldog quarterback Bratkowski. Billy West pounced on the pigskin for the score. Stringfield then kicked the point and L.S.U. led 7-0. The Tigers had to fight to hold this lead, however, for Georgia tried desperately to get back into the game. Sparked by Bratkowski's passing, they twice drove to the Bengal ten; but the Tigers hurled them back and defeated the Bulldogs for the first time since 1945.

L. S. U.

MARYLAND

27

Maryland's Scarbath leaps into air as Sanford drives in for the tackle.

Venable (47) and Freeman team up to knock down a Maryland pass.

Tiger Stadium, Oct. 27—The mighty Terrapins of Maryland rolled over the Bayou Bengals to the tune of 27-0. Rated the sixth team in the nation this week—by some sports writers, the best—Maryland proved to be the most powerful team L.S.U. has faced in recent years. For twenty-five minutes, however, the Tigers kept their rabid supporters cheering as they fought the Terps to a standstill. With five minutes left in the first period, though, the bubble burst and Maryland pushed across two quick touchdowns. The Bengals came back fighting after the half, but the Maryland powerhouse was too much for them. The Terps scored once in the third and again in the last quarter. Tiger fans were given a boost in the final quarter when the Bengals, led by a group of freshmen, produced their longest drive—down to the Terp ten.

Tiger Stadium, Nov. 3—Before a chilled Homecoming crowd of 40,000, L.S.U. and Ole Miss battled to a 6-6 deadlock. The Tigers tried desperately to give the old grads a winner, but the Rebels caught them off-guard for two plays and pushed across the tying marker. Neither team was able to score in the first half. The Tigers tried a field goal from the Ole Miss 17, but it was too wide. Midway in the third period the Bengals hit paydirt. After holding the Rebels on their own 22, the Tigers started a 78 yard drive that was climaxed by a brilliant 28 yard scoring ramble by Leroy Labat. Nearly every Rebel player on the field hit him without success. Ole Miss garnished its six-pointer with a 54 yard aerial from Lemar to Boykin just three plays after the kickoff. With but five minutes left in the game, Ole Miss tried a field goal. It, too, was wide, and the Tigers and Rebels had tied for the first time in their long gridiron history.

VANDERBILT

20

Foster of Vandy gathers in a Wade pass over head of Tigers' Roshto for first score in game.

Dickie Prescott sends Tigers ahead against Vandy as he gallops over for LSU's second score.

Tiger Stadium, Nov. 10—Led by Bill Wade, the Vandy Commodores staged a highly effective air attack on the Tigers and emerged from the game victorious. With the game only a minute old, Wade heaved the first of his three touchdown aerals. The play covered some 60 yards. Caught off-balance, the Tigers came back furiously. After failing to score on a drive that carried them to the Vandy 13, the Bengals drove 40 yards to let Doggett go over for the tally. Yeager recovered a Commodore bobble on the eight yard line minutes later. From that point, little Dickie Prescott rambled over to send the Tigers ahead 13-7. That was all for the Bengals; Wade unleashed his deadly right arm again. Aided by a blocked punt that rolled dead on the Tiger 20 with a Commodore on top, Wade tied the score at 13-13. Close to the half, Wade struck again — a Wade-to-Duncan pass — for Vandy's winning marker. The game was fought to a standstill the last half, as L.S.U. suffered its third loss.

MISS. STATE

0

Tiger Stadium, Nov. 17—In near freezing weather Cliff Stringfield, L.S.U.'s place kicking freshman, booted the Tigers to victory over the Maroons from Mississippi State. The kick came after only three and one-half minutes had elapsed in the first period. Following a poor kick by the Maroons' Collins, the Bengals began their drive on the State 40. Hedges and Labat teamed up to make a first on the State 26. Three plays later found the Tigers on the 19 with fourth and three coming. It was then that Stringfield handed the Bengals a victory with his perfect field goal. Thereafter, the game was a hard-fought one that saw both teams stymie drive after drive. Failing to puncture the big Bengal forward wall, the Maroons crossed into Tiger territory only twice. L.S.U. had a number of scoring opportunities, but faltered each time the promised land was in sight. This game marked the first Tiger victory on a field goal since "Red" Knight kicked a 9-7 score over Georgia Tech in 1945.

Dildy waltzes with Villanova's Colette.

Shreveport, La., Nov. 24—Displaying their finest offensive effort of the season, the Tigers thoroughly outclassed the Villanova Wildcats from Philadelphia 45-7. The Bengals, whose previous offensive efforts had proved weak, roared on the ground and through the air to amass a total of 45 points in the first 39 minutes of the game. Scoring—the first time they got the ball—on a 62 yard drive that was climaxed with a one yard plunge by Hedges, the Tigers never turned off the pressure. The Bengals had piled up 18 points before the Wildcats could push across their lone score. It came at the start of the second period on a long 80 yard march. The Tigers' final 21 points came in the third quarter on a two yard buck by Labat, marking his second score; a one yard smash by West; and a one yard runback of an intercepted pass by Freshman End Wrendal Nealy. From then on, the regulars took it easy as Coach Tinsley cleared the bench.

Tiger Stadium, Dec. 1—The Tulane Green Wave roared into Tigertown, but the battered old Tiger managed to keep dry as the Bengals eked out a thrilling 14-13 victory. None of the jam-packed crowd of 46,000 fans was left sitting as the Tigers and Greenies ended their '51 season in the most exciting game of the year. Taking advantage of an early break on the opening kickoff when the Wave's Bob Sain fumbled with Ed Coyne recovering for the Tigers, the Bengals promptly marched over for their initial tally.

Stevens (11) and Guglielmo (82) watch Lee Hedges squeeze through Tulane tacklers for first Tiger touchdown.

Gaining only four yards in three downs, the Tigers faked a field goal on the 16. When the ball was snapped, Barton, instead of placing it down on the kicking tee, headed around left end and went all the way to the Greenie 10 before he was dragged down. Two plays later, Oakley took a pitchout from Stringfield and romped over for the score. Stringfield kicked the point and LSU led 7-0. Three more times in the first half, the Tigers marched within striking distance of the Tulane goal but failed to go all the way. The Greenies woke up in the last half, however, and scored in the third period after Camp had recovered a Labat fumble on the Bengals' 44.

Tiger fans and players watch solemnly as LSU defeats Greenies in most exciting game of year.

Above Right: Oakley heads around end as another Tiger lays out a would-be tackler.

Led by the passing of Dempsey, they took some 13 plays to push across the tally which Magee made on a one yard plunge. Commeaux missed the all-important extra point. The Tigers drove right back and marched 61 yards after the kickoff for their final score with Hedges going over behind some excellent blocking. Stringfield kicked the winning point. The Wave roared back, though, and almost pitched the Bengals right out of the Stadium with Lester Kennedy's fireworks. After Kennedy had completed a 57 yard aerial to Wiedenbacker that went to the Tiger three, Bailey bulled his way over for the score. Following L.S.U.'s series of downs, Kennedy again started connecting; but the old Tiger held on and defeated the Greenies for the twenty-sixth time in their long grid history.

Fournet leads the way for Stevens.

BASKETBALL

Jo Jo dives under.

Dean again.

Dean lays it in.

Yates gets set.

Led by towering Bob Pettit and Captain Jo Jo Dean, the Tigers enjoyed their finest year in basketball since 1949. Winning 17, while losing only 7, they finished second in the conference race. Although they were not predicted to cause too much trouble because of their lack of experience, the rapid development of Pettit's shooting and rebounding ability—combined with the great all-around play of Dean—enabled the Bengals to establish themselves as one of the best teams in the SEC. Beginning the season with a 78-50 win over Keesler Field, the Tigers defeated in quick succession Rice, 68-60; Birmingham Southern, 78-40; and Alabama (pre-season pick for third in the conference), 68-61. Next they fell to a red-hot Mississippi State club, 55-59. The Bengals jumped back into the win column the next night, however, with an 81-89 victory over the Ole Miss Rebels with Pettit tying the SEC record for the most points, 40, in a single game. Also, he set a new record for the most field goals, 18. The Tigers then returned home to edge out Texas, 59-54, for their final game of 1951. After disposing of Loyola, 77-60, for their '52 opener, the Bengals journeyed to Lexington to meet the Kentucky Wildcats. Starting fast, the Tigers built up an impressive 28-18 lead by half-time, only to see it dwindle away in the second half as the Wildcats turned on the steam. Finally, late in the fourth quarter, Kentucky pulled out in front to win, 57-47. Two days later, the Bengals tasted defeat again, losing to the Vandy Commodores. Returning home, the Tigers walloped Mississippi State 103-78, the highest score any Tiger team had ever made. Four days later, they almost crossed the century mark again, defeating Georgia 98-59. Pettit established three records that night as he scored 50 points. The Bengals then began a disastrous four-game road trip in which they lost to Tulane, 66-71; Ole Miss, 65-68; and to Tennessee, 68-82. Finally, the victory trail was hit again with a 71-53 victory over Georgia Tech. Tulane became the next victim of the onrushing Tigers, 78-66, as the Bengals avenged their earlier defeat at the hands of the Greenies. Next followed Auburn, 70-64; Ole Miss, 71-58; and Florida, 65-57.

B A S K E T

The Tigers wound up their regular schedule in a three-way tie for second in the conference. In the Florida game, Jo Jo Dean, playing his final home game for the Ole War Skule, scored his one-thousandth point, marking the first time any LSU player had ever accomplished that feat in only three seasons. The ovation that the loyal Tiger supporters gave Dean following his record-making point was one of the biggest ever given an LSU athlete. Seeded third in the tournament, the Bengals quickly rolled over Mississippi State, 77-44; Ole Miss, 75-60; and Florida, 65-58. However, they lost a heart-breaker to Kentucky in the finals, 44-43. Pettit and Dean were chosen on both the all-tournament and the all-conference teams. Pettit, who finished the season as the nation's second highest scorer, was also chosen on the AP second string All-American team. By virtue of their surprising finish, LSU was invited to play in the Sugar Bowl tournament in December of 1952.

The battling Bengals of Coach J. T. Owen continued their winning ways this past boxing season. Five dual meets were won, one was lost, and they hung up their fourth consecutive Southern Invitational Boxing Tournament crown. Composed of only three seniors and a group of young hustling freshmen and sophomores, the team opened the season with a trek to New Orleans for their fourth straight appearance in the Sugar Bowl. Their opponent: Wisconsin, 1951 National Boxing Champs. The Bengals staged a hard fight, but were unable to cope with the superiority of the Badgers. They lost their second dual meet in four years, 2½-5½. The month of January was

Davis and LSU's Clary tie it up.

Davis and Clary at it again.

HEAD COACH J. T. OWEN

spent ironing out the faults of each boxer as Coach Owen worked hard to ready his boys for the rough schedule ahead. The hard work paid off on February 2 when they defeated a tough Miami team 4½-3½ in Coral Gables, Florida. Two weeks later the Tigers opened their home stand by soundly defeating The Citadel, 6½-2½. Next, the Bengals fought and defeated Army 6-2—the first time LSU has competed against any team from the U. S. Military Academy. South Carolina went down next, 5½-2½. Then followed Maryland, 6-2, as the team prepared for the defense of their Southern Boxing crown. Picked as the tournament's favorite, the Tigers started strong and finally walked away with the crown and a total of 33 points. Clary tied Maryland's Guerney for the Best Individual Boxer Award. The Bengals then journeyed to Wisconsin for the NCAA tournament. Pitted against the best in the land, the Tigers were unable to go; and only Howell and Jackson reached the finals. They also lost. Most of the past year's team will be back next year. Coach Owen, who was Coach of the U. S. Olympic Boxing team which competed in Finland in the Summer of 1952, is looking forward to another successful season.

TRACK

The problem of rebuilding that faced nearly every Tiger coach the past year also had to be faced by Cinder Coach Al Moreau. With only ten lettermen returning from last year's SEC champions and only one senior, Coach Moreau had the problem of developing a bunch of freshmen and sophomores, who comprised two-thirds of the team, into top-flight trackmen. Once again Charlie Johnson was the standout on the team. Besides consistently bringing in points with the broadjump, he developed into one of the school's best dash men. Competing in the Drake Relays against some of the best track stars in the country, Johnson came in second in the hundred-yard dash with the excellent time of 9.7 seconds, just one-tenth of a second behind the winner. Twice this year he has run the century in 9.5 seconds, tying the school record. Another cinder man that has blossomed out this year is freshman pole vaulter Fred Nodier. He has already cleared thirteen feet; and if he continues his rate of improvement, he is sure to turn out as one of LSU's greatest vaulters. Scheduling only two dual meets this year, the Tigers won both by huge margins. Loyola fell $37\frac{1}{3}$ to $98\frac{2}{3}$ and then Tulane, who competed with only a handful of its members, 86-26. The Bengals finished first in the Southwestern Relays and second in the Southern Relays before dropping all the way to fifth place in the SEC meet. At the time of the SEC meet, however, both of the Tigers' ace hurdlers, McBride and Tucker, were injured; and senior dash and relay man John Venable had been drafted. With his same team returning next year, Coach Moreau is sure to raise LSU back into prominence as the strongest track team in the SEC.

B A S E B A L L

With only four lettermen to back up a freshman studded team, Coach Harry Rabenhorst, dean of SEC coaches, had to start almost from scratch to build his 27th baseball team. Back for his last year was Senior Jim Barton, the only senior on the squad. Always a hustler and a fine leader, Barton helped the team greatly with his good all-around play as he finished second in the RBI department with a total of fourteen. The surprising ability of two freshmen, Al Doggett and Ned Clark, to make the grade in their first year proved invaluable to the team. Doggett finished the season with a batting average of .293, second only to Jerry Marchand. Clark, picked as one of the top baseball prospects in the South, led in fielding with an excellent .975 average. The batting and RBI championships went to Jerry Marchand

Jerry Marchand.

Benny McArdle

who in his first year at LSU batted .313, the only LSU player to bat above .300, and knocked in 15 runs. Having his best year, pitcher Benny McArdle finished the season with seven wins and only two losses, one of the best records in the SEC this season. Starting slow, the young Bengals lost their first game to Southern Illinois 3-7. Their determination and hustle paid off in their second contest, however, as they defeated the semi-pro Crowley Millers of the Evangeline League 6-5. The Bengals lost their next four games to tough Alabama and the Auburn Plainsmen. Returning home, the Tigers won six of their next seven games, their only loss being to the Crowley Millers. They were only able to garnish three wins in their last seven starts, however. Three of these losses were to arch-rival Tulane. The Tigers won the first of their four-game series with the Greenies in a tight 4-3 game. The Bengals finished the season with a record of nine wins and eleven losses, but they were a much better team than the record indicates. What they lacked in experience, they made up in spirit. If they keep that competitive spirit and their inexhaustible will to win, Coach Raby will have a great team next year.

T E N N I S

CAPTAIN BEAU HOLTON

Having one of their best years, Coach "Dub" Robinson's net men finished the season with a record of eleven wins and four losses. These defeats came from the hands of the three top teams in the SEC, Tulane, Vanderbilt, and Tennessee. Captain Beau Holton, the only senior member of the squad, finished his net career at LSU by hanging up ten victories against five defeats in singles competition. Sophomore Paul Young came into his own this season, tying Charlie Pitts, star freshman on the team, for the best won-lost percentage with an 11-4 record. Cecil Webb, work horse of the team, finished with a 7-8 record, competing against the best man that each opponent had to offer. The Bengals were unable to go far in the SEC tournament as their lack of experience began to tell against the tough opponents they had to face. The same team with the exception of Holton will be back next year, and with the experience gained this past season, Coach Robinson can expect an even better record.

Sitting, left to right: Charles Hardy, Dale Bennett, Walter Cockerham, Beau Holton. Standing: Manager Weldon Brumfield, Duncan Burford, Paul Young, Cecil Webb, Charlie Pitts, Coach W. T. Robinson.

TOMMY MORROW

COACH MIKE BARBATO

Enjoying their finest season in many a year, Coach Mike Barbato's lingsters went undefeated in regular season play and finished second to Georgia in the SEC. Competing in many amateur tourneys throughout the season, the Bengals showed up well in every one. Led by sophomore Bert Weaver, the Tiger's No. 1 golfer, the Bengals shut out Lamar State from Beaumont, Texas, 18-0. Weaver shot a three under par, 69, to lead the field. Two weeks later, the Tigers traveled to Gulfport, Miss., to compete in the Gulf Coast Invitational Tourney. Against stiff opposition, the Bengals landed the third, fourth, fifth, and sixth places with Tommy Morrow being the top Tiger with a 289 total. The Tigers entertained the Tulane Greenies for their next two matches and walked away with both of them. They won the first on 26 1/2-1/2, and then completely shut the Greenies out in the second one, 27-0. North Texas State, 1951 NCAA champs, invaded the Bengal domain for the Tigers' next match. Against tough competition, the Bengals held their own and tied the Texans 13 1/2-13 1/2. In the SEC tournament the Tiger lingsters finished second to Georgia to climax regular season play. On June 22, after the 1952 GUMBO went to press, the Bengals competed in the NCAA tournament.

RIFLE TEAM: LSU's ROTC Rifle Team, composed mostly of sophomores, brought the NRA regional championship to LSU this year as they scored the highest number of points. They competed against the best teams in the South. With the same rate of improvement, next year's team should bring the national crown to LSU.

I N T R A M U R A L S P O R T S

LSU's well-rounded Intramural schedule, one of the best among the nation's colleges and universities, got off to another fine season in the fall with football as the main attraction. In the midst of keen competition, Company E eked out the ROTC championship, while Sigma Chi and the DKEs won the fraternity crowns. Volleyball and handball were next on the list, followed next by the winter sports, basketball and boxing. The best crowd-drawing competitions of the year were the ROTC boxing matches. Despite the inability of some of the participants to hold out for the three required rounds (out of shape, they claimed), the fights were enjoyed by everyone.

Charity Bowl: DKE vs. KA.

On December 15, the Charity Bowl was resumed after a lapse of five years. The DKEs and the KAs donned football gear and battled it out in Tiger Stadium before a small crowd of cheering admirers, with the proceeds going to the Good Fellows. After many grunts and groans, the DKEs won 15-6. With the coming of spring, emphasis was placed on the outdoors again as softball, track, and swimming took over. At the end of the year, the Sweepstakes trophies were presented to the Alpha bracket champion, Sigma Chi. The trophy for the Beta bracket champs went to Alpha Tau Omega. Squadron K was crowned the ROTC champion.

BOOK

These are the times that try men's souls: The summer soldier and the sunshine patriot will, in this crisis, shrink from the service of his country; but he that stands it NOW, deserves the love and thanks of man and woman. Tyranny, like hell, is not easily conquered; yet we have this consolation with us, that the harder the conflict, the more glorious the triumph. What we obtain too cheap, we esteem too lightly. 'Tis dearness only that gives everything its value. Heaven knows how to set a proper price upon its goods; and it would be strange, indeed, if so celestial an article as FREEDOM, should not be highly rated.

PANHELLENIC COUNCIL

The Council strives to further cooperation among sororities for their mutual benefit and to unify the interests of sorority and non-sorority women on the campus. Each sorority is represented by a senior and a junior delegate. Offices are filled by the senior members in rotation.

BOOK

The citizens of the United States of America have a right to applaud themselves for having given to mankind examples of an enlarged and liberal policy. All possess alike liberty of conscience and immunities of citizenship. For happily the Government of the United States, which gives to bigotry no sanction, to persecution no assistance, requires only that they who live under its protection, should demean themselves as good citizens, in giving it on all occasions their effectual support.

—George Washington

BOOK

A true education depends upon freedom in the pursuit of truth. No group and no Government can properly prescribe precisely what should constitute the body of knowledge with which true education is concerned. The truth is found when men are free to pursue it. Genuine education is present only when the springs from which knowledge comes are pure. It is this belief in the freedom of the mind, written into our fundamental law, and observed in our everyday dealings with the problems of life, that distinguishes us as a nation, the United States of America, above every Nation in the world.

—Franklin D. Roosevelt

FIVE

Classes

The College of Agriculture is one of the major units of the Louisiana State University and Agricultural and Mechanical College, the institution designated by the legislature as the land-grant college of the state of Louisiana. Since it is one of the divisions of a land-grant institution, the College of Agriculture is an integral part of the national land-grant college system and intimately connected in all of the phases of its work with the United States Department of Agriculture and other Federal agencies dealing with agriculture, home economics, and related fields.

The Home Economics division.

The primary purpose of the College of Arts and Sciences is to afford the student a liberal education, which by its nature is broad rather than narrow, devoted to intellectual development and discipline rather than to the acquisition of technical skills. It should give the student some knowledge of the achievements of the human mind, with special reference to the Western civilization of which both the ancient world and contemporary America are parts.

The College of Commerce has as its objective the training of men and women for the different phases of business activity. Among the many fields of business offered for study are Marketing and Merchandising, Accounting, Secretarial Science, Foreign Trade, Economics, and General Business. Primarily for technical study, this college maintains probably the best job placement service on the University campus.

The purpose of the College of Education is to prepare students for teaching positions.

It administers curricula designed specifically for preparation of teachers in the various teaching fields. The Department of Education offers professional courses for undergraduate and graduate students who are preparing for positions as teachers in elementary or secondary schools, supervisors and critic teachers, guidance counselors, school librarians, supervisors of bands, orchestras, and vocal music, principals, superintendents, visiting teachers, and college teachers of Education.

The School of Medicine is located on the grounds of Charity Hospital of Louisiana at New Orleans, as provided for in resolutions adopted by the Board of Administrators of Charity Hospital, January 3, 1931, and an act passed by the Louisiana Legislature of 1932. Clinical teaching is conducted chiefly in Charity Hospital, with which the School of Medicine is connected by a covered passageway. The School of Medicine of Louisiana State University is accredited by the Council on Medical Education and Hospitals of the American Medical Association and holds membership in the Association of American Medical Colleges.

The Louisiana State University Law School was established in 1906 to carry out the general provisions of the University charter authorizing a school of law among the schools that shall be maintained by Louisiana State University. In 1924 the Law School was elected to membership in the Association of American Law Schools, composed of the leading law schools of the United States. In 1926 the Law School was placed on the approved list of the Section on Legal Education and Admissions to the Bar of the American Bar Association. The Law School is also on the list of law schools approved by the Board of Regents of the University of the State of New York.

The Graduate School administers all graduate work carried on in the University. As a center of higher learning it provides an environment in which research and free inquiry thrive and makes available to society the results of such activities. The graduate student must assume an orientation toward scholarship which differs materially from that of most undergraduates; he is expected to gain, as a result from association with scholars and research workers, many new concepts and a stimulation in ability to think clearly and independently, and to develop zeal for adding to the sum of human knowledge.
